

Interoperability Summit: Empowering Consumers with Data

Date: June 20 – 21, 2019

Location: Cambia Grove: 1800 9th Avenue, Second Floor Seattle, WA 98101

Event Emcees:

- **Christine Bechtel; President and Chief Strategist, X4 Health**
- **Aneesh Chopra; President, CareJourney**

Cambia Grove's consumer focused Interoperability Summit will bring together national stakeholders to advance the interoperability of health data around the country. During this two-day, must attend summit, you will experience handpicked permeations and small group discussions focused on topics such as advancing consumer-centric solutions, the adoptions of FHIR standards, current policy and regulations, and ways to support national initiatives and local partnerships to create a better health care system.

Connect with leaders from around the country and across the spectrum of health, tech and policy. The future of interoperability is being created now. Join us to shape this important conversation to ensure the creation of a more person-focused and economically sustainable health care system for us all.
